The Summer Reading Program

The Atwell Public Library 2023 Summer Reading Program was a huge success! The program established a record high for both participation and overall engagement with more than 100 signups and more than 40 eligible contestants. Top readers Maria T., Alyssa S., and Caitlin S. were honored for reading the most minutes in their age group at the celebration. All attendees received a catered lunch and refreshments in appreciation for their commitment to finishing the Summer Reading Challenge. Some of the prizes that contestants had a chance to win and take home included TVs, laptops, candy baskets, and toy packages. The library is still expanding and improving the program for the future as we celebrate this outstanding year. See you all in 2024!

Summer Flower Fun

In celebration of summer, Miriam, of Marigold's Florist sponsored "Summer Flower Fun," a flower arranging class at the Atwell Public Library. Marigold's Florist, as an interested and engaging community partner with the Hutchins neighborhood, has sustained outreach through donations and class hosting.
