Senior Meal Program

The Congregate Meal Program, also known as the Senior Meal Program, is a daily lunch program that ensures a free and nutritious meal for seniors ages 60 and older. The program is sponsored in part by the City of Hutchins and Dallas Area Agency on Aging. Lunch is served Monday - Friday beginning at 11:30 am while food supply lasts or until all eligible participants have received a qualified meal. Lunch is served in the Hutchins Community Center, and usually concludes by 12:00 noon, 48-hour RSVP (reservation) is strongly encouraged. Meals must be consumed onsite.

To join the program, the applicant must complete an intake form, nutritional education, and nutritional assessment before participation. Participants must also participate in an annual nutrition education session/presentation to remain in the program. There is no cost for this nutrition education session/presentation. To inquire about the program or set an appointment to register, please call 972-225-0439.
