How do I register to vote?

In the state of Texas, voter registration applications must be filled out and mailed to the County Voter Registrar. The address is pre-printed on the application, and no postage fees apply.

Registration cards can be found in the lobby of Hutchins City Hall, the Dallas County Elections Office, and many post offices, libraries, Texas Department of Public Safety Offices, and Texas Health and Human Services Commission offices throughout the state. You may also fill out the form online before printing the application from the Secretary of State Website.
