Targeted Spraying on July 30 and July 31, 2024

The City of Hutchins received notification that confirmed the presence of West Nile Virus in a mosquito trap
located at 200 W. Palestine Street. Dallas County Health and Human Services will conduct spraying citywide. A shaded map of the area is included above.

Spraying will occur during the following dates and times, weather permitting:

   Tuesday, July 30, 2024, 9:00 p.m. to 5:00 a.m.
   Wednesday, July 31, 2024 9:00 p.m. to 5:00 a.m.

As a precaution, when spraying takes place in the City, it is recommended that residents and pets stay indoors. The purpose of spraying is to reduce the infected mosquito population, thus reducing the risk to residents and animals.
